

Prepaid funeral plans – In partnership with Westerleigh Funeral Plans

A funeral plan is a way to organise and pay for your funeral in advance, ensuring your wishes are respected while easing the burden on your loved ones.

Funeral plans protect against rising costs as the price you pay is fixed for all guaranteed services, no matter how much they go up in the future. By paying now, you could save your family significant expense. You also lessen the worry of arranging and paying for a funeral at a difficult time.

At BCM Funerals, we work in partnership with Westerleigh Funeral Plans to bring funeral plans to our local community. There are a range of plans available, designed to suit you and your family, to say goodbye your way.

With over 30 years' experience, caring for over 76,000 families per year, Westerleigh Group are the UK's largest cremation provider. Their partnership with local funeral directors like us ensures our families receive the exceptional care they deserve, when it matters most.
